October 5th - 7th, 2009  
@ Las Vegas, NV  
Booth # C-4034

Our lineup at Pack Expo...

**LX-500** - One of the fastest shrink labeling machines ever! See it in ACTION at the SHOW!

**AUS-60** - Splice sleeves without slowing down or stopping sleeving operation.

**LX-350** - Fully servo driven sleeve labeling machine with capabilities exceeding your expectations.

**LX-200** - Entry level shrink labeling machine ideal for packaging lines with limited space.

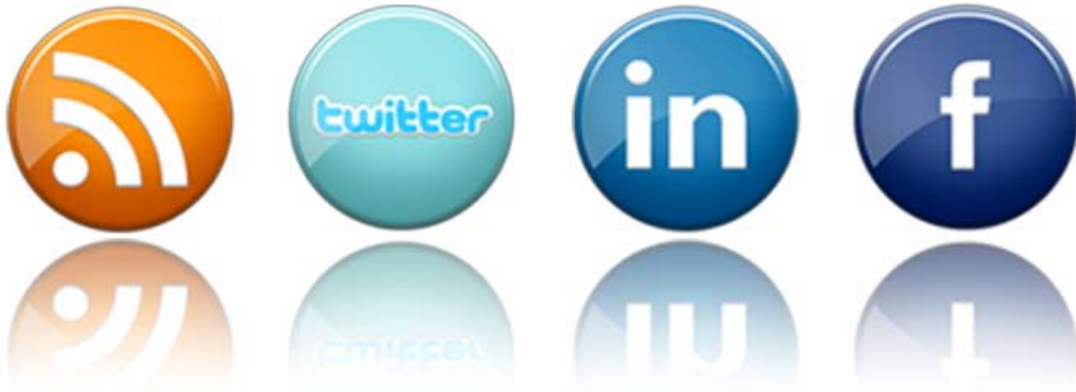

**WSN-300** - Steam Shrink Tunnel with multi-zones for versatility and ease of adjustment.

**OES-200** - infrared dry air heat shrink tunnel for shrink sleeve label applications

# NAFM & The Social Network

NAFM is a part of the social network scene. Find us on Facebook, LinkedIN, Twitter, and our blog located at [www.nafm.com](http://www.nafm.com).

Join us on Facebook to get all the latest news and information on Packaging Machinery and the Industry. Or follow us on Twitter to get up to the minute tweets from us, and even get live feedback from Pack Expo 2009!
